Experience

- 2007 - Present - Union Carpenter - skills include metal framing, hanging drywall and a proficiency with most power tools, in addition to being a licensed Aerial Lift and Powered Industrial Truck Operator.
- 2004 - 2007 - Worked for Tenderloin Housing Clinic. This is a non-profit organization. Their mission is to help the homeless and drug addicted get off the street and into permanent residences at residential hotels. My responsibilities included dealing with tenant issues and emergencies as they arose, as well as facility maintenance.
- 1999 - 2004 - Special T Messenger Service - San Francisco - Delivered packages for clients through a dispatcher on an on call basis. My responsibilities also included conducting legal research, such as obtaining copies of court filings and delivering them to clients, and filing documents at Superior and District Court.
- 1996 - 1999 - Selected as a Teacher's Assistant for writing courses and aided students with writing assignments, Office support for events coordinator, performed set-up and breakdown during events and art openings, as well as managed food service and bartending, general grounds and facilities maintenance, prepared living quarters for guest lectures, handled funds for after school figure drawing classes.
